Press Release

WDC Amateur League

August 2007

The Dance Sport Executive Board of the World Dance Council is delighted to announce the formation of the Amateur Dance Commission.

This Commission will have the responsibility of dealing with all matters relating to the new WDC Amateur League. The commission will be entitled to a seat on the Dance Sport Executive Board with the equivalent voting rights of the Coaches and Competitors Commissions.

This development continues to reinforce the policy of the WDC to support a Free and Open Market in a competitive dance world that wishes to support the wishes and rights of Competitors, both Professional and Amateur.

The establishment of the Amateur Commission within the DSEB will give all current Amateur Competitors a direct line of communication to the policy-making Committee of a Governing body, which they currently do not have.

Further announcements regarding exciting developments within the WDC Amateur League will be released in the near future.
