The President
IDSF

Dear Carlos,

As a delegate to the World Dance Council and a Director of the British Dance Council, I find myself in complete agreement with the sentiments expressed in the open letter written to you from Karl Breuer on February the 5th 2007.

Having had the pleasure of meeting you, I find it inconceivable that a man of your obvious integrity, should not be able to meet with World Dance Council representatives, to iron out the current differences, (which are an embarrassment to all dancers) in order to work in harmony for the good of Ballroom Dancing, rather than fuel the egos of a dissident few.

Therefore I must add that until such time as the IDSF and the WDC are in accord I regret I cannot and will not make use of my IDSF Adjudicator's Licence.

I remain, with kind regards

Yours sincerely

George Coad.
