Press Release 01/2008

January 2008.

WDC Policy in Germany

The World Dance Council President, Mr. Donnie Burns MBE and President of the DTV Mr. Franz Allert gave their signatures to a memorandum of agreement between both parties, and wish to confirm that the entire agreement remains completely valid and in force.

The last two years will be viewed by many all over the world of dance as regrettable in relation to restrictions and political manoeuvring in certain areas, none appearing to have the good of dancers at heart.

For the avoidance of any doubt, the memorandum reads:

In consideration of the fact that a relationship of mutual confidence between professionals and amateurs is an essential precondition for the future development of dancesport WD&DSC and DTV agree on the following points:

WD&DSC accepts the DTV as the one and only partner for amateur dancesport in Germany. If other international dancesport competitions occur in Germany, the WD&DSC will not support them.

From the above it is clear that only DTV Amateur events in Germany have the support of the WDC it's members and officers and this continues to be her policy today and in the future.

Both parties, the World Dance Council and the DTV, wish to repeat their commitment to this agreement which shines as a beacon of cooperation and hope through troubled times and points the way ahead to peace and freedom in the Dance and Dancesport World to the benefit of those who really count. The dancers!

A very happy 2008 to one and all!

Kindest Regards,

Donnie Burns MBE
President
